Hello Faithful Friend!

I echo what Paul said to the church in Philippi **"I thank my God every time I remember you."** (Philippians 1:3). I and my Team at Bold Bible Missions really value you - your prayers, your kind comments, your prayer requests, your heartfelt partnership with us for spreading Jesus' Good News... I could go on! Some of you have come on board recently; some we have known now for decades. Thank God for you.

*I thank my God upon  
every remembrance of you,*

*Philippians 1:3*

God has begun such a gracious work in us all and in this ministry and I notice He is faithfully continuing this process of maturing us until the Lord Jesus Christ returns. I'm excited

to share some more truth in this letter. **I'm noticing a new "lightness" and freedom; a new sense of His presence** since lately I've been walking more in being conscious of Jesus in me, loving me, accepting me. I'm living proof that no matter how much you grow in Christ - you can grow some more! The Lord helped me pay attention to this and so I'm sharing with you.

**It's always good to take stock of where we are.** Have you ever been to a new place - a new big mall for shopping or on a traveling to a city you've never been to before? **Before you can get to where you want to go you have to locate where you are and start from there.** Sounds basic right!?

**Where are you in Christ?** You might ask - "Debra, what do you mean by that? I know I believe in Him, walk with Him..." Well, I'm glad you asked!!

I listen to many people by phone, in person, by email, in small group bible studies and **as they speak I can locate where they are by their words.** I can discover by listening that they might be stuck in fear, rattled by insecurity, sometimes complacency and not paying attention to "where they are at".

I have experienced over the years of speaking with, counseling, and praying with people of all ages and from many nations that **I am unable to talk anyone OUT of fear or insecurity.** It is impossible also to talk anyone INTO God's blessings. Why? It is because **we always and only act on what we each believe in our hearts.** It all depends on **what you accept as true** about you deep down.

**I want to encourage you to listen to what you are saying about yourself.** Locate yourself - even if it seems like only a "minor tweak" - and **step out into God's love for you and His ability that He placed within you.**

Today, let's take a look at how secure we are. **Ask yourself** some questions: "Do I compare myself with anyone? Do I feel judged by others? Do I compete with others? Are you oversensitive to the approval of others? Is it hard to make or keep friends thinking they may not like me or might be critical of me? When I look in the mirror am I dissatisfied?"

Is there ANY arena of your life where you sometimes say or think: "I'm a loser!" "I can't seem to overcome in this."

**It might be a family member or young person you are close to** that when you read these questions it resonates with you - "that's just what Joe or Mariah thinks? I keep trying to tell them they are a new person in Christ... but they always go back to feeling like failures..."

**We can rise up and step out!** I want to help you in this letter with a few solid facts from Jesus' Words. He said in John 8:32 that if you embrace truth, it will release true freedom into your life. **You can help your loved ones too. You cannot talk them into freedom but you can help nourish them with words of truth and freedom so they can personally begin to change how they believe.**

**Instead of being self-conscious we can become Christ-conscious. It's a new location to live from!**

So **FIRST** of all: **Believe that In Christ you have immeasurable worth.** God said in Genesis 1:27 "So God created man in his own image, in the image of God created he him; male and female created he them." **You are created in God's very own image.** Jesus now is the author and finisher of our faith - in other words we don't just "look like God," He created us to have His nature and character. **What worth!**

When the human race fell God sent Jesus to pay the price to redeem us back to Himself! **What worth He ascribed to us!** It was in the news that Bill Gates bought a notebook for \$30,000,000. Wow! That seems so extravagant. Why such value? The value was because of the author of the notebook. It was Leonardo da Vinci writings

from the 16th century.

**You are authored by God, so your value is immeasurable, infinite.**

**SECOND** of all: **Please grasp that your worth is to be understood** not in dollars but in **God's immense love for you.** In John 13:1 it is recorded that throughout His time with his disciples, **Jesus had demonstrated a deep and tender love for them.**

In John 15:9 (TPT) Jesus said "I love each of you with the same love that the Father loves me. **You must continually let my love nourish your hearts.**"

John 17:23 shows us that Jesus declared this to the Father: "**You live fully in me and now I live fully in them** so that they will experience perfect unity, and the world will be convinced that you have sent me, for they will see that you **love each one of them with the same passionate love that you have for me.**"

So if you struggle even a little bit with insecurity in ANY place of your thoughts or life you can change. Begin to tell the Lord "I believe what You say about me." "You love me in spite of my flaws." "I am valuable because You love me!"

Romans 5:8 tells us the **real test of value is what someone is willing to pay...** Paul said, "But Christ proved God's passionate love for us by dying in our place while we were still lost and ungodly!"

**THIRDLY: You are not only loved - you are accepted.** Ephesians 1:6 says "to the praise of the glory of His grace, by which **He made us accepted in the Beloved.**" This was His idea. He is saying if you accept Jesus and His sacrifice for you, His new life for you - God completely accepts you. **Jesus is the open door that God wants you to walk through.**

Begin to believe and practice these three points in your thought life and how you speak to yourself and about yourself to others.

To help you further **I would like to send you a great little book that both Don and I loved by**

**E.W. Kenyon** called "Signposts on the Road to Success." This will fire you up in living this great life in Christ that He has called you to.

It is a power packed book with over 30 chapters - each one short enough to be a daily devotional and loaded with truth to set you free!! Like this excerpt:

**"Stepping out of sin-consciousness into son-consciousness is stepping out of failure into success.**

**"It means stepping out of that inferiority complex that has held us prisoners for years.**

**"It means becoming the thing you have dreamed.**

**"Do you remember the picture in the magazine of the little scrawny fellow sitting by the side of a great, big, strong muscular man, seeing the big man take his girl away from him? Then the little scrawny man goes into the gymnasium and develops his muscles until they are strong. Then he goes out and faces other men unafraid.**

**"You go into God's gymnasium and come in contact with the great gymnastic teacher of spiritual things. You let Him put you through a course until you stand in front of the world complete in all His finished work, until your inferiority has been swallowed up in His dominant victorious**

***Spirit, until you whisper, 'Greater is He that is in me, than he that is in the world,' or 'than the doubts and fears that worked in me in the past.'***

***"I have a Master now who is building me up instead of the master who kept me in bondage, who kept me down.***

***"I walked in failure for years. I walked with the sense of my lack of ability and Righteousness; but now I walk with Him.***

***"We are linked together. I am breathing in the courage of His tremendous personality.***

"I am **filled with His ability.**

"I say, 'Good-bye,' to the dark, unhappy days of the past. A curtain falls between them and me. I stand now upon the highlands, a victor..."

"I am not intimidated by circumstances, or filled with fear that I cannot do the work or put it over.

"I know that the Mighty One has taken me over and is putting me over since **I have stepped out of sin-consciousness in son-consciousness.**"

(Excerpt from "Signposts on the Road to Success" by EW Kenyon, pp 62-62)

In a nutshell, **to help people know in their heart their son-ship** - this is passion and the mission we share in all our Bold Bible Missions outreaches. Like when starting a new church in Africa, send messages on the airwaves. This is the goal we have to help others in prisons.

In our next letter I will share more testimonies

and updates from those who have been **"stepping out of sin-consciousness into son-consciousness"** as a result of you partnering with us to be on radio, sent His Word (Don's books and literature) all over Canada, USA and around the world as well as into prisons.

Thank you for sharing and praying with us. Your dollars are watched over as we steward and step out.

Every good result, we give God all the credit and all the glory. We love you and ask please also let us know how we can pray for you as well.

Yours for spreading this Good News!

Debra
